

Guide to Registering for Chat Room at Grace Church Internet Church

If you would like to Login as a guest (no name) just press "Login as Guest" and the program will just assign a number to you.

When you press "Login With Existing Account", this window will appear. Replace "SundayStreams061" with your User Name. (This name will appear when you chat with other worshippers.) Type in your password and then begin to chat with other worshippers or if you have a problem you are able to report it to the producers.

If you have never chatted on our site before, you can register by clicking the "Register for New Account" link. Replace "Username" with your name. Replace "Sunday Streams0" with your email. Insert a password (in the box under Username) and confirm it in the box marked "confirm Password". Then press "Create Chat Account".
